Remarks

Mrk Rmks: **COMMERCIAL POTENTIAL!! This charming 2 bedroom, 1 bath home is selling as part of an estate. The home has a large living room with a lot of natural light, a galley style kitchen which leads to a breeze-way and the attached 1 car garage. There is an unfinished basement with a sump pump that could be finished for additional living space. The property also has an attached 1 stall carport and a workshop in the back yard. This property could also have commercial potential and has lots of potential uses. Any commercial use would need to be verified with the Village of Swansea. Sellers are electing to sell the home as is and will not make repairs as a result of any building, occupancy, or environmental inspections.**
